The Company reserves the right to request passengers to present valid identification documents before travelling and will not be held liable if a passenger -other than the person entitled to travel under a ticket- who has presented identification documents to the Company -corresponding to the passenger named on the ticket has travelled and/or has been reimbursed.

### **CANCELLATIONS - REFUNDS**

Cancellations can be made at the Travel Agency, Port Agency, Premium Sales Agent or at the offices of the Company where reservation and payment were made. Depending on the time of cancellation the following amounts are refunded (**special offers excluded**):

If this ticket is cancelled, the date of rebooking is considered as the date of cancellation and the refund is calculated in relation to the original travel date.
- In the event of a partial cancellation of a round trip of which one crossing has been completed, the passenger will be charged a one way fare and will be refunded as above for the balance of the round trip fare.
- In the event of a whole cancellation of a round trip, the passenger will be refunded as above (based on the time of cancellation). A request for refund must be made in writing and the actual refund may take place in a three month period after the last date of travel. Cancellations and refunds can only be settled through the Travel Agency, Premium Sales Agent or offices of the Company, where tickets were issued. Port Agencies may cancel a ticket once check-in has been finalized but cannot refund money. The Company is entitled to retain the total value of ticket if the passenger interrupts his voyage at an intermediate port, unless the interruption is due to illness, accident or force majeure.

Open tickets are valid for one year from the date of issue. Passengers with an open return ticket must reserve their return journey well in advance through the Travel Agency, Premium Sales Agent, Port Agent or the offices of the Company, where reservation and payment were made. Open Return fares are always calculated on the basis of the low season fare. In the event that a passenger travels in shoulder or high season or during a period in which a new tariff is in force, then the difference between the current and the pre-paid fare has to be paid by the passenger. The Company cannot always secure the reservation of the passengers on their desired travel dates or accommodation type. Alternative travel dates or accommodation types may be offered.

## CAMPING ON BOARD

Camping on board is permissible from April 1st to October 31st. The passengers travelling with a caravan or a camper should check in at least 3 hours prior to the scheduled departure time. Delayed arrival of a camper may hinder boarding on the open deck. Due to the limited space for camping on board, it is advisable to book well in advance. For safety reasons, cooking and the use of gas or fire by camping-on-board passengers is strictly forbidden. Please pay special attention to the camping on-board instructions available on board. Camping on board is permitted for clients traveling with vehicles officially registered as camping vehicles, campers and caravans. Regular cars and/or minibus vehicles are not permitted for camping on board. Any vehicles that are not registered as camping vehicles will not be permitted for camping on board and clients will be denied access to the open deck.

## BOARDING PROCEDURE / ENTRY REGULATIONS

Due to our compliance with the security regulations of the ISPS (International Ship and Port Facility Security) code, all passengers are kindly required to proceed to the embarkation area, at least 2 hours prior to the scheduled departure time. All passengers are required to present their boarding card and a valid passport or ID to the Vessel's authorized personnel. The Company reserves the Company's rights to deny embarkation to any individual who, according to the best of Company's knowledge, does not appear to possess valid travel documents or fails to prove, beyond a doubt, his/her identity. In the event of a fine being imposed on the Company by the immigration office, the amount will be charged to the passenger who failed to provide the proper legal documents. The Company cannot be held responsible in the event that authorities prevent a passenger from continuing his/her journey. In the event of immigration officials refusing entry, the passenger will be sent back to his/her departure place at his/her own expense. We would recommend that citizens of all states contact the appropriate consulate for details. Infants and children also require official documents of identification. All persons and all items brought on board the Vessel are liable to be searched. Persons refusing to comply with this demand shall be denied access on board and will be reported to the appropriate port authorities. If a passenger boarded on the Vessel wishes to disembark prior to departure, he/she must take all their carrying luggage and/or vehicle. In the case of vehicles of all kind, please bear in mind the possibility of you being unable to remove them from the ship's garage due to their pre-arranged parking positions. Carriage of guns, cartridges, explosive, flammable, combustible and in general hazardous materials is strictly prohibited.
